If you haven't joined the PTSA yet, there is still time! Don't worry.... Just because you sign up doesn't mean you need to volunteer. 😊 The membership fees go towards teacher appreciation gifts and providing dinner for the teachers and staff on parent/teacher conference nights and back to school night. It also goes to help fund different projects the teachers may ask us to help with. Plus students who sign up get a **discount** on donuts, t-shirts and hoodies etc!

**Any donations help!**

And if you want to volunteer, we won't say no!

# PTSA Gift to the New School

So many people have fond memories of the tree in the courtyard from the old school. We knew it meant a lot- so companies and individuals worked together, volunteering their time and services to take the tree carefully, transport it, dry it, and shape it into a table and bench for the students at the new school to enjoy! It is still in the process of being completed but we are excited to give this gift to the students and staff for the new building!

**THANK**  
**YOU!**

The following have given their time and/or services to help make the project a success!

- Allred Tree Service
- Wood Benders
- Jake Milne
- The Singing Arborist
- Three Vets Sawmill
- Dakota Castile
